About Southport Chamber of Commerce

Southport Chamber of Commerce & Industry was established in 1912 - The Southport Chamber of Commerce provides information and opportunities for networking and staying in touch with local business developments. The benefits of participating in local affairs are in assisting the growth of your business and forming key business relationships. Your involvement also assists us to advocate with greater strength to local Councils and Government at all levels.

Work with the Chamber so we can work for you - We provide you with the opportunity to have your say in the development of Southport as the CBD of the Gold Coast. You are invited to enjoy our breakfast presentations from notable persons as well as our evening networking events for the purpose of meeting with the Chambers other Partners and Sponsors.

Updates on Activities - Our partners are kept up to date on all Chamber activities. You will receive regular communications on events and other business activities including those of the Gold Coast City Council, Economic Development and on key planning developments for the region.

Awareness and Recognition - Your business can build its brand and professional image in the Southport community through the opportunities of partnership and participation. Together we can provide a greater voice than any one business can do alone, and your partnership is vital to building our influence.

Thank you for supporting Southport – the CBD of the Gold Coast

Ian Kennedy – President
